May 20, 2019 City Council Meeting

City Budget Adoption – FY 2019-2020

Motion by Councilmember Fear to adopt the following General Appropriations Resolution approving the 2019-2020 City Budget:

RESOLUTION NO. 100-2019

GENERAL APPROPRIATIONS ACT (BUDGET) FISCAL YEAR 2019-2020

A resolution to establish a general appropriations act for the City of Owosso; to define the powers and duties of the city officers in relation to the administration of the budget; and to provide remedies for refusal or neglect to comply with the requirements of this resolution.

WHEREAS, pursuant to Chapter 8, Section 5 of the Owosso City Charter, the City Council has received the proposed budget for the fiscal year beginning July 1, 2019 and held a public hearing on June 3, 2019, and;

WHEREAS, the City Council has held other sessions to discuss the proposed budget;

NOW, THEREFORE, BE IT RESOLVED THAT the City Council of the City of Owosso hereby adopts the FY2020 budget and sets the tax rates as shown below.

Section 1: Title

This resolution shall be known as the Owosso General Appropriations Act.

Section 2: Chief Administrative Officer

The City Manager shall be the Chief Administrative Officer and shall perform the duties of the Chief Administrative Officer enumerated in this act.

Section 3: Fiscal Officer

The Finance Director shall be the Fiscal Officer and shall perform the duties of the Fiscal Officer enumerated in this act.

Section 4: Estimated Expenditures

The following amounts are hereby appropriated for the operations of the City Government and its activities for the fiscal year beginning July 1, 2019 and ending June 30, 2020:

General Fund

City Council	\$ 5,300
City Manager	141,558
City Attorney	115,000
Finance	273,420
Assessing	142,039
City Clerk	281,729

Brownfield Authority

Property Taxes	\$	224,863
Other Income		<u>8,904</u>
Total Brownfield Authority Fund	\$	233,767

Section 6: Millage Levy

The City Council shall cause to be levied and collected the general property tax on all real and personal property within the city upon the current tax roll an amount equal to 18.8012 mills per \$1,000 of taxable value consisting of 13.0070 mills for operating, 1.0000 mill to operate a solid waste recycling program, 1.0000 mills for Historic/Park Sites, .3333 for Transportation and 3.4609 mills for debt.

Section 7: Adoption of Budget by Reference

The general fund budget of the City of Owosso is hereby adopted by reference, with revenues and activity expenditures as indicated in Sections 4 and 5 of this act.

Section 8: Appropriation not a Mandate to Spend

Appropriations will be deemed maximum authorizations to incur expenditures. The fiscal officer shall exercise supervision and control to ensure that expenditures are within appropriations, and shall not issue any city order for expenditures that exceed appropriations.

Section 9: Periodic Fiscal Reports

The fiscal officer shall provide the City Council monthly reports of fiscal year to date revenues and expenditures compared to the budgeted amounts.

Section 10: Limit on Obligations and Payments

No obligation shall be incurred against, and no payment shall be made from any appropriation unless there is a sufficient unencumbered balance in the appropriation and sufficient funds are or will be available to meet the obligation.

Section 11: Budget Monitoring

Whenever it appears to the fiscal officer or the city Council that the actual and probable revenues in any fund will be less than the estimated revenues upon which appropriations from such fund were based, and when it appears that expenditures shall exceed an appropriation, the fiscal officer shall present to the City Council recommendations to prevent expenditures from exceeding available revenues or appropriations for the current fiscal year. Such recommendations shall include proposals for reducing appropriations, increasing revenues, or both.

Motion supported by Councilmember Law.

Roll Call Vote.

AYES: Councilmembers Haber, Pidek, Fear, Law, Bailey, Mayor Pro-Tem Osika, and Mayor Eveleth.

NAYS: None.

I hereby certify that the foregoing document is a true and complete copy of action taken by the Owosso City Council at the regular meeting of June 17, 2019.

Amy K. Kirkland, City Clerk

Downtown Development Authority General Appropriations Resolution – FY 2019-2020

Motion by Councilmember Pidek to adopt the General Appropriations Resolution authorizing the levy of the Downtown Development Authority millage for the 2019-2020 fiscal year as follows:

RESOLUTION NO. 99-2019

**GENERAL APPROPRIATIONS RESOLUTION FOR
THE DOWNTOWN DEVELOPMENT AUTHORITY
FOR FY 2019-20**

WHEREAS, the Authority board met to consider a proposed budget for fiscal year 2019-20, and after deliberations and public input approved a budget; and

WHEREAS, the Owosso City Council held a public hearing on the proposed budget on June 3, 2019; and,

WHEREAS, it is the intent of the Downtown Development Authority to levy a tax for general operating purposes pursuant to Public Act 197 of 1975; and

WHEREAS, the general property tax laws, specifically MCL 211.34(d) provide for an annual compound millage reduction calculation applied to the maximum millage rate of two mills authorized by MCL 125.1662; and

WHEREAS, the millage reduction commonly known as the “Headlee” rollback results in a maximum operating millage rate of 1.9215 for which the Authority is authorized to levy.

NOW, THEREFORE, BE IT RESOLVED THAT the City Council of the City of Owosso hereby sets the tax rates and adopts the FY2020 budget for the Downtown Development Authority as shown below.

BE IT FURTHER RESOLVED, that the tax levy for the fiscal year commencing July 1, 2019 shall be the rate of 1.9215 per \$1,000 of taxable value of the 2019 assessment roll for the district as approved by the Board of Review.

Section 1: Estimated Expenditures

The following amounts are hereby appropriated for the operations of the Owosso Downtown Development Authority and its activities for the fiscal year beginning July 1, 2019 and ending June 30, 2020:

Downtown Development	\$ 209,050
----------------------	------------

Section 2: Estimated Revenues

The following are estimated to be available for the fiscal year beginning July 1, 2019 and ending June 30, 2020, to meet the foregoing appropriations.

Property Taxes	\$ 192,000
Other Revenue	<u>24,580</u>
Total General Fund	\$ 216,580

Motion supported by Councilmember Bailey.

Roll Call Vote.

AYES: Councilmembers Haber, Bailey, Law, Fear, Mayor Pro-Tem Osika, Councilmember Pidek, and Mayor Eveleth.

NAYS: None.

I hereby certify that the foregoing document is a true and complete copy of action taken by the Owosso City Council at the regular meeting of June 17, 2019.

Amy K. Kirkland, City Clerk

Executive Summary – FY 2019-20 Budget

The City of Owosso has shared in the economic ups and downs of the last 10 years and has seen nominal yearly improvements related to job growth, property values, local tax revenues, home sales, and an overall sense that things in Michigan are improving. Local economies around the state are slowly recovering from the Great Recession; some more than others. It will be important for the City of Owosso to identify those factors that encourage better than average improvement in the coming years. Fiscally, city officials have made conservative financial decisions that serve to preserve Owosso's financial future. Financial policies have been put into place that serve as triggers for needed financial decisions rather than risk having these tough decisions deferred. Most importantly, the city understands that good financial health directly impacts our ability to deliver quality public service to our residents.

Unemployment is at its lowest point in 50 years, Owosso's manufacturing industry is recovering from a decade of decline and stagnation, and consumer confidence is ticking up. However, from a municipal funding standpoint there are challenges ahead.

The Fiscal Year 2019-2020 budget is the result of the dedicated work of a number of city staff members and elected/appointed officials. Thanks are due to the Owosso City Council and the City's Department Heads for their assistance in developing this budget. In addition, the staff of the City's finance department provided valuable support in preparing revenue and expense projections, while the entire workforce of the City has been supportive in trusting and following the City's leadership efforts.

This document represents a diligent effort to provide an affordable, hi-quality, and safe environment for our employees, residents, business owners, and visitors. It is designed to provide a transparent view of the City's current funding practices, historical financial health, and our projections for future revenues and expenditures.

This executive summary will highlight a number of the key issues affecting the City's finances. This summary will also outline many financial and administrative decisions that officials have made to appropriately address the needs of our taxpayers in light of the financial constraints within which our city must operate. A more in-depth analysis of the revenues and expenses proposed for the fiscal year is provided later in the document. Any questions regarding this budget document should be addressed to the City Manager's office.

State Economic and Policy Impact

The State Legislature and Governor have made significant changes to Michigan local revenue sharing over the last 10 years. There are two types of revenue sharing: Constitutional and Statutory. Constitutional revenue sharing mandates that 15% of the 4% portion of Michigan's 6% sales tax is distributed to cities, villages and townships on a population basis. This formula cannot be changed by the legislature since it is part of the state's constitution. Statutory revenue sharing can be changed by the legislature and has been changed and renamed a few times. Currently, it is called the City, Village, and Township Revenue Sharing (CVTRS) program.

Because CVTRS funding is decided by the State Legislature, it has become an attractive source of funding to balance the state's budget since the great recession. This means that cities like Owosso have seen a dramatic decrease in its CVTRS revenue over the last 10 years. In Owosso's case, over \$10 million has been diverted away from the City by the State of Michigan since 2003. That is an average of \$723,471 per year that should have been allocated to Owosso's revenue sharing payments to fund basic services that was instead diverted to fund other State budget priorities.

In addition to CVTRS payment reductions, property taxes continue to hit the glass ceiling of the Headlee Amendment (1978) and Proposal A (1994). These two state tax policies limit the amount of revenue that can be collected from property taxes - many cities' principal means of funding basic services (i.e. police departments, fire departments, parks, general administration, and certain community development efforts).

What these challenges mean is that although the economy has now recovered, financing Owosso's basic services will remain a challenge in the future if new revenues are not forthcoming.

Retirement Costs

City-Run Pension System

The City of Owosso funds its employee pension programs through annual payments to its City-run retirement system (Except for Police Command which moved to the Michigan Municipal Employee Retirement System (MERS) in the 1990s). Each year, the city receives a report from its pension system actuary that outlines the overall health of our pension programs. The most recent actuarial report, which covers all contributions and distributions through December 31, 2018, indicates that the City of Owosso's retirement system has funded approximately \$33.4 million of its \$38.9 million accrued pension liability – or 86%. During calendar year 2018, \$712,708 in annual required contributions to the system were made by the city. This represents just the employer annual contributions. That is expected to increase by 23% in FY 2019-20 to an annual required employer contribution of \$876,631. Beginning July 1, 2019, eligible employees will contribute the following percentage of their wages to their retirement plan:

- General and Police Non-Union: 6%
- Fire: 8%
- Police Union: 10%

It is staff's intention to continue to negotiate that all of the city-run pension system assets and administration transfer to MERS in FY 19-20.

MERS Pension System

In addition to the city-run pension system, the police command bargaining unit (POLC Command) moved to MERS in the 1990's. As this summary is being written, the 2018 MERS actuarial report has not been submitted to the city. The 2017 MERS report, which covers all contributions and distributions through December 31, 2017, indicates that the City of Owosso's MERS-represented POLC Command retirement

system has funded approximately \$3.33 million of its \$5.13 million accrued pension liability – or 65%. During calendar year 2017 \$139,100 in annual required employer contributions were made to retirees and/or beneficiaries. That is expected to increase 20% for FY 2019-20 to an annual employer contribution of \$166,920. Active POLC Command employees contribute 10% of their wages to their retirement plan.

Future Pension Funding Challenges

The city is slowly moving to transfer all city-run pension system assets and administrative responsibilities to MERS. This is because of:

1. Increase costs of administration of the city-run pension system (\$163,750 for FY19-20 plus \$8,000 in legal fees = \$171,750)
2. Staff hours spent to run the system:
 - a. Finance Director – 70 hrs/year
 - b. Payroll Clerk – 50 hrs/year
 - c. Treasurer – 606 hrs/year
 - d. Clerk – 168 hrs/year
3. All retirement checks and calculations are done by hand and are stored on index cards.

This will free up time with an already overburdened staff and save the city in legal fees and investment costs. However, the move to MERS will not solve the pension funding challenge long term. The city has – and will continue – negotiating for all new hires to be assigned a hybrid pension plan; which is a combination of defined benefit and defined contribution. This will eventually lower future retirement costs for the city. The difficulty in funding current retirees and those employees still on strict defined benefit plans will remain a challenge.

Pay-As-You-Go Capital Improvements

This will be the first year that the City has operated under a 6-year capital improvements plan. That plan was approved by Planning Commission and City Council in early 2019. The purpose of the capital improvements plan is to list and prioritize all needed capital projects city wide. The plan is not a commitment of current or future funding – rather a plan to help guide staff and council decisions on needed improvements in the city.

For FY 19-20 the city will be funding:

- General Fund: \$324,745 worth of improvements and capital purchases
 - \$120,000 for new retaining wall and sidewalk by city hall
 - \$12,000 garage door for DPW building
 - \$50,600 for new police patrol vehicle and build-out
 - \$17,100 for same-day AV ballot counting hardware and scanner for Clerk's office
 - \$21,300 for new fire hose and compression system (Fire Dept)

- \$60,045 in IT upgrades and hardware replacement
 - \$10,000 for new public safety Coban server
- Sewer Fund: \$520,000 in sanitary sewer lining and manhole rehabilitation
- Water Fund: \$455,000 in water main replacements
- Drinking Water Plan: \$115,000 to empty spent lime lagoon
- Waste Water Plant: \$60,000 in misc upgrades, \$25,000 for a new van, \$350,000 for a backup generator

Street Projects

This year the city will be continuing its aggressive street reconstruction program with \$2.37 million in street projects. This includes S. Washington, Seventh, Ryan, Monroe, North, Allendale, and Abrey Streets. This is being funded through a combination of street bond sales, special assessments, MDOT grants, and Act 51 receipts.

We expect that the City's Act 51 receipts will continue to increase with statewide attention on "fixing the roads." However, it is difficult to estimate how much this revenue source will increase due to the political situation at the state level. For FY 19-20, any additional funding will come from increased fuel and weight tax revenue under the current tax structure and/or previous commitments from the Snyder administration to divert State general fund dollars to streets. These revenue estimates are released by the State Treasurer every winter during the state's revenue estimating conference.

Long Term Debt

Historically, Owosso has been debt-adverse. However, in 2016 the voters approved a \$10 million streets project bond to address the city's crumbling roadways and City Council approved \$2 million to update all water meters in the City's water system. In the ten years between 2006 and 2016, the city's long-term debt has hovered between \$2.2 and \$3.4 million. The new streets program and the meter replacement program have increased that amount to \$17.1 million for FY 19-20. Depending on Council's decision in the coming months regarding needed improvements at the water filtration and waste water treatment plants, that figure could increase again. With most of this new debt taken on during periods of low interest rates or as a part of state-sponsored debt programs that carry historically low interest rates, this means that the city is being strategic with its new debt obligations.

Staffing

The City will be adding 2 new full-time positions and one part-time position while eliminating one full-time department head position. The assessing department will be getting a deputy assessor position as a city of Owosso's size should not operate with just one full-time tax assessor. Ten years ago the city did not fill retirements in the assessing department and there is now a need for a deputy assessor. The Clerk's department will be getting a part-time employee to assist with increased election responsibilities after the voters approved same-day AV ballot submittals and expanded AV ballot eligibility. This position will also be responsible for improving records management in City Hall. The Public Works Department will be adding a full-time asset management technician to make sure we are following our

new asset management plans and conducting required state reporting related to the city's water and sewer utilities. Finally, the city will be eliminating the position of Assistant City Manager. With these staffing changes, the city will employ a total of 95 FTE.

Health Insurance Costs

The City of Owosso offers health, vision, and dental insurance based on the hard-cap model allow under Public Act 152 of 2011. Every October, the State Treasurer releases a maximum amount that municipalities may fund employee healthcare based on three categories: single coverage, individual & 2-person coverage, and family coverage. The cap amounts for calendar year 2019 are as follows:

- Single: \$6,685.17/year
- 2-person: \$13,980.75/year
- Family: \$18,232.31/year

The city offers a health plan that is funded completely by these hard caps but also gives employees the option to upgrade for an additional cost borne by the employee. If an employee elects to get coverage elsewhere, the city pays that employee to not take the city's health coverage. This payment is less than the cost of insuring the employee and is a useful tool to reduce overall healthcare cost to the city. The total cost of health care for the city in FY 19-20 (including costs for employees not taking the city's plan) will be \$1,077,980 (\$723,059 of that cost is allocated to the General Fund). This is a 4% increase from FY 18-19. In the last 5 years, the cost of health insurance has risen 36.4% - and average of 7.3% per year.

Projected Unrestricted Fund Balance at 6.30.2020

The amount of a city's unrestricted General Fund balance is an often-used measurement of overall financial health for the community. While Owosso does track and consider many other factors to determine overall fiscal health, it is still important to monitor the General Fund's unrestricted fund balance amount. It is the policy of the City of Owosso that the minimum General Fund unrestricted fund balance shall be 25% when compared to overall General Fund expenditures for the fiscal year (after accounting for general admin costs in other funds). It is projected that this budget will generate a year-end unrestricted General Fund balance of \$1,864,516 – or 26% of total General Fund appropriations for FY 19-20. This meets the city's minimum unrestricted General Fund balance policy.

Future Years' Expectations

It will be important for the City to project its revenues and expenditures long-term in order to make sound fiscal decisions on an annual basis. That work has started with the new Munetrix financial tracking system, the new capital improvements plan, four new utilities-related asset management plans, a fund balance policy, and the city's willingness to look for new revenue sources (i.e. medical marijuana facilities state tax disbursements). However, current laws regulating our property tax system – which represents the city's largest General Fund revenue source – make it difficult for communities like Owosso to grow their tax revenues to fund adequate basic services like public safety, parks, and general administration. In short, Owosso's property tax revenues have only just rebounded to match what the

city was collecting before the great recession – but during the same period, costs have steadily gone up. The city has met those challenges by greatly reducing the amount of staff positions but the work is not done. Accordingly, it is important that the city's leadership continue to explore appropriate combinations of expense reduction, service efficiency, and revenue enhancements to ensure that our residents and business owners continue to receive the services that they need at a cost that is reasonable.

Conclusion

There are a number of issues that continue to affect Owosso's finances – some positive and some negative. The city's leadership will be persistent in its efforts to provide a high level of fiscal management that focuses on reducing unnecessary costs and improving revenues while providing excellent services at an affordable cost to our taxpayers. Accordingly, this FY 2019-2020 budget is respectfully submitted.

A handwritten signature in blue ink, appearing to read 'N. R. Henne', with a stylized flourish at the end.

Budget Overview

City of Owosso

Owosso became an incorporated city in 1859. The name Owosso was adapted in 1840 from the name of a famous Chippewa Indian chieftain called "Wasso".

Owosso is the largest city in Shiawassee County with a population of 15,194 (2010 census) and an area equal to 4.45 square miles. The city has a widely diversified industrial and commercial center in the midst of a highly agricultural county.

There are 120 acres of parks and playgrounds, as well as two auditoriums for the performing arts, an outdoor amphitheater, and an art museum. Recreation in the area includes a four-mile river walkway, roller-skating rink, skate boarding, an in-city lake for fishing, golf courses and many other facilities for sports and fitness.

Lansing, Flint and Detroit are all within a 90 minute drive of Owosso offering area residents enhanced educational, cultural, and recreational opportunities.

Fund Structure

The City of Owosso maintains accounts for funds including a fund that brings the City of Owosso in compliance with GASB 34. There are six types of funds: General Fund, Special Revenue Funds, Debt Service Funds, Enterprise Funds, Capital Projects Funds and Trust and Agency Funds.

General Fund - The General Fund is the City's primary operating fund. The General Fund is a government fund that generates revenues to cover general operational expenses and is accounted for on the modified accrual basis. Modified accrual basis of accounting is a blend of both cash and full accrual. Revenue is recognized when it is considered available and measurable, while expenses are recognized when the liability has occurred.

➤ Departments of the General Fund

- City Council-Six council seats plus a council voted Mayor
Enacts legislation, policies, approves budget and assists residents
- City Manager
Directs and coordinates the operations of the City's departments and staff
- Finance
Financial reporting, budgeting, audit oversight, investments, and treasury oversight
- Assessing
Valuation processing of property and represents the city in tax tribunal cases
- Attorney
Contracted by the city for legal services
- Clerk
Clerk to Council and other Boards, custodial of records, city code, and administers elections
- Human Resources
Union, payroll, fringe benefit administration, employee hiring and relations
- Treasurer
Property tax statements, utility billing, revenue collection, and pension administration

- **Information and Technology**
Contracted by the city for IT expertise and computer maintenance
- **Building and Grounds**
Repair and maintain city buildings and grounds
- **General Administration**
Day to day administration and costs shared by all General Fund departments
- **Public Safety**
Police and Fire Services for protection of life and property
- **Building and Safety**
Issue building, zoning, and other permits, and ensure code compliance
- **Public Works**
Street sweeping and maintenance including snow plowing and tree maintenance
- **Parking**
Maintain parking lots and streets spaces
- **Community Development**
Analysis, design and planning for community land use
- **Parks**
Maintain city parks and recreation courts, fields, and playgrounds
- **Transfer Out to Other Funds**
General Fund money for support to Historical Commission, Airport, Pension Fund and Capital Improvement Fund

Special Revenue Funds

- **Major and Local Streets Funds** – The Major and Local Streets Funds are considered special revenue funds which utilize state and weight tax revenues for the maintenance and improvements to city streets. The Major Street Fund also maintains three state owned trunk lines.
- **Downtown Façade Fund** – The Downtown Façade Fund pursues grant funding to assist in downtown façade rehabilitation.
- **CDBG Revolving Loan Fund** – The Revolving Loan Fund provides lending to community development projects through the use of CDBG monies.
- **Historical Commission** – The Historical Commission Fund uses resources to preserve the heritage and history of the city.
- **Park/Recreation Fund** – Records the .5 mill voter approved millage in 2018 for funding to maintain, improve, and upgrade parks.
- **Historical Sites Fund** – Records the .5 mill voter approved millage in 2018 for funding to maintain, improve, and preserve historical sites within the City of Owosso.

General Obligation Debt Service Funds - The Debt Service Funds account for the yearly payments of interest and principal on general obligation debt issued by the city.

Capital Improvement Funds – Capital Improvement funds account for capital purchases and unused street bond financing.

- **Capital Improvement Fund** – The Capital Improvement Fund is for capital purchases including computers, vehicles, equipment, and building improvements. In the past these purchases were accounted for in the General Fund.
- **Capital Improvement Streets Fund** – The Capital Improvement Streets Fund is used to account for bond financing funds until the funds are transferred to Major and Local Street Funds for street improvements.

- **DDA Construction Fund** – The DDA Construction Fund is at the direction of the DDA Component Unit.

Enterprise Funds – Enterprise Funds operate like a business entity. These funds are accounted for on a full accrual basis. The full accrual basis of accounting shows the economic effect of revenues that impact the accounting period; whether or not the cash has been received.

- **Transportation Fund** – This fund collects voter approved millage to support public transportation for city residents. Currently the city contracts with SATA (Shiawassee Area Transportation Association) for these services.
- **Sewer Fund** – The Sewer Fund collects user fees to operate and maintain the city's sewer system.
- **Water Fund** – The Water Fund collects user fees to operate and maintain the city's water system.
- **Wastewater Treatment Fund** – This fund accounts for the treatment of waste water utilizing user fees from the city's water fund and user fees from the Mid-County service area participants.

Internal Service Funds

- The Fleet Fund is the city's only internal service fund. This fund operates like a business by purchasing and maintaining much of the city vehicles and equipment. When other funds require the use of this equipment or vehicles, they are charged rental income.

Component Funds

- **Brownfield Authority** – The Brownfield Authority captures property taxes for improvement to properties that are considered obsolete.
- **Downtown Development Authority (DDA)** – The DDA collects a separate millage to drive people to the downtown business district.

Trust and Agency Fund - The Trust and Agency Fund accounts for the yearly property tax receipts collected, and tax distributions made by the City. This fund has no revenue or expense recorded, so no budget is required or prepared.

GASB 34 Fund - The GASB 34 Fund converts governmental fund statements to full accrual accounting, in accordance with Governmental Accounting Standards Board Statement 34; no budget is required or prepared for this fund.

General Fund Overview

Revenue

The General Fund 2020 budgeted operating revenue is \$7,747,159 compared with 2019 budgeted revenue of \$7,755,766; a decrease of \$8,607. In 2020 the budget will not utilize the prior years' fund balance, whereas in FY19 \$156,000 was to be used. We expect a modest 2% increase in property taxes from the 2018 actual collection projection. Building permitting revenue will be less than expenses causing a deficit for the building activity.

Property tax is the largest revenue source for the General Fund. The city has seen some recovery to the tax base as the economy continues to improve. However, much of any new increases to taxable value has been captured for Brownfield projects or IFT's (industrial facility tax); making it difficult to keep up with rising costs. State revenue sharing and ambulance revenues are the next largest revenue sources for the General Fund. For the 2020 budget state revenue sharing and ambulance revenue are projected to be \$1,791,523 and \$1,100,000 respectively.

Expenditures

The General Fund expenditure budget for 2020 is \$7,747,159 compared with 2019 budgeted expenditures of \$7,755,766; a decrease of \$8,607. The majority of the decrease is in transfers out to other funds. In 2019 the city pre-funded street special assessments. However the general fund cannot continue to do this and comply with the 25% unassigned fund balance policy. As in the prior year the city will continue to use the Capital Improvement Fund which will require a yearly transfer from the General Fund. Purchases of capital such as computers, equipment and vehicles will be made from this fund in an attempt to save now for future large expenditures such as fire and police equipment. A \$358,840 transfer from the General Fund to the Capital Improvement Fund was budgeted for 2019. For 2020 the transfer is budgeted at \$290,395. \$120,000 of the transfer will be slated to repair the retaining wall/sidewalk near City Hall and other much needed repairs and updates. An additional \$34,350 of unused funds in the Capital Improvement Fund will also be available for the retaining wall/sidewalk near City Hall.

The city continues to see increasing pension liability and other benefit costs. The increase in property tax is not keeping step with the increasing personnel costs. While 2020 property tax revenue is estimated to increase slightly, pension costs are expected to increase by 9% to 31% depending on the pension group. On a better note, some defined benefit groups have closed. As employees in these groups retire, the city is able to replace these retirees with employees that are now covered under a defined contribution plan. The defined contribution plan only requires the city to contribute 4% of employees' wages in comparison to defined benefit contributions of sometimes over 50% of wages. Also, the defined contribution plan is a known liability that ends when the employee retires or leaves employment with the city, unlike the defined benefit plan where the liability continues for the life of the retiree and his/her beneficiary. The city implemented a hybrid plan for one or more groups in 2019. This plan will affect new hires of the employee group(s). The Hybrid plan combines some elements of the traditional defined benefit plan and the defined contribution plan.

Police and fire departments are the largest cost to the city's general fund. As seen in the graph below, public safety (police and fire) makes up 51% of the total budget. In 2020 all general fund equipment and vehicle purchases will be made through a transfer to a new capital improvement fund. Therefore, if public safety capital purchases were still included in police and fire departments, the percentage of total costs would be much higher.

**The Utility budgets are presented on the modified accrual basis. For auditing purposes the capital outlay will be reclassified to the balance sheet and replaced with depreciation expense. The debt principal will also be reclassified to the balance sheet. This will result in a change to net position which will be different than the budgeted net revenue shown above. This budget attempts to depict the affect to cash rather than assets and liabilities. Negative budgeted net revenue indicates use of prior year's fund equity.*

FLEET FUND 2019-2020 FINANCIAL SUMMARY

Total Budgeted Revenue Sources	\$ 720,000
Total Budgeted Expenditures	1,215,746

**This budget is presented on the modified accrual basis. For auditing purposes the capital outlay will be reclassified to the balance sheet and replaced with depreciation expense. The debt principal will also be reclassified to the balance sheet. This will result in a change to net position which will be different than the budgeted net revenue shown above. This budget attempts to depict the affect to cash rather than assets and liabilities. Negative budgeted net revenue indicates use of prior year's fund equity.*

BUILDING DEPARTMENT

Building permits include a base fee in addition to the following fees:

Income limit fee waiver – Building permits and inspections will be required. However, permit fees will be waived for owner occupied residential buildings for households that have annual incomes less than 30% of the Michigan State Housing Development Authority (MSHDA) area Minimum Income (AMI). The waiver will cover permits for bringing a structure into code compliance and for replacement of roofs, windows, and siding. To qualify, the applicant must submit Michigan or Federal 1040 tax returns for the last three years along with any other financial and ownership information required for determination.
