PUBLIC HEARINGS

OPRA District – 114-116 W. Main Street, 2nd & 3rd Floors

City Manager Nathan R. Henne explained that the request before Council this evening is to receive public comment and consider establishing an obsolete property rehabilitation district for the 2nd and 3rd floors of the building at 114-116 West Main Street. The district will encompass only the two noted floors of the building.

A public hearing was conducted to receive citizen comment regarding the application from Ruesswood REI Group, LLC to establish an Obsolete Property Rehabilitation District for the 2nd and 3rd floors of the property located at 114-116 W. Main Street.

There were no citizen comments received prior to, or during the meeting regarding the proposed tax exemption district.

Councilmember Pidek inquired if it was common for a tax abatement district to include only select floors of a building. City Manager Henne indicated it is not common, but is addressed in the OPRA Act.

Councilmember Fear asked whether establishment of the district entitled the property owners to any other tax exemptions. It was noted it would not.

Whereas, the Council, after due and legal notice, has met and there being no one to be heard, motion by Councilmember Bailey that the following resolution be adopted:

CITIZEN COMMENTS AND QUESTIONS

Tom Manke, 2910 W. M-21, asked that people think of giving to one of the many small local charitable organizations on Giving Tuesday. He also asked when recreational marijuana will be for sale in Owosso.

Yvette Collard, non-profit volunteer, pointed out that of the 19 non-profit organizations mentioned in the proclamation not all of them have paid staff.

Eddie Urban, 601 Glenwood Avenue, said he paid his sister's taxes recently and he asked for a list of the organizations that are involved in Giving Tuesday. Lastly, he asked for clarification as to why the sheds on his property are no longer grandfathered in and have to be taken down. Davina Inman, owner of property at 1417 Frederick Street, protested the continued inclusion of her property on the Hazards & Nuisances Special Assessment Roll. She said the new water meter should have been billed to the bank that owned the property before she purchased it.

Mayor Eveleth announced the Historical Commission Holiday Party to be held this Thursday from 5:30pm to 8:30 pm at Curwood Castle. He also thanked everyone involved in Glow Owosso saying it was bigger and better than ever before.

Mayor Eveleth then asked the City Manager for an update on recreational marijuana. City Manager Henne indicated that he is planning on bringing the topic up in January.

Responding to Mr. Urban's inquiry for clarification, Mayor Eveleth noted that he can't comment on pending legal matters.

Lastly, Mayor Eveleth responded to Ms. Inman's protest noting that Council will be talking about her issue specifically later in the meeting.

Councilmember Bailey said the town looks great all decked out for Christmas.

Councilmember Law said now that the State has allowed medical marijuana provisioning centers to sell recreational marijuana he would like Council to consider such sales as soon as possible.

ITEMS OF BUSINESS

Proposed Special Assessment District No. 2019-01 - Hazards and Nuisances

City Manager Henne indicated that this item had been postponed at the last meeting to allow time to investigate the issue the owner of 1417 Frederick Street has raised as to who should be responsible for charges for a new water meter.

There was a lengthy discussion among the Council, City staff, and the property owner as to who is responsible for the cost of a new water meter. There was debate whether the charges should be assessed to the property owner or the bank that owned the property before she purchased it. Utilities Director Glenn M. Chinavare offered to put together a timeline to determine what happened in this situation.

Motion by Choose an item. to approve the Special Assessment District No. 2019-01, Hazards and Nuisances roll, as it relates to unpaid costs incurred in the altering, repairing, tearing down, abating or removing of hazards and nuisances as follows, without the charges for 1417 Frederick Street, and direct City staff collect documentation of the situation for consideration at the December 16, 2019 meeting:

Water & Sewer Rate Proposal

City Manager Henne detailed the changes being proposed in a PowerPoint presentation. He said they were asking for a 4% increase and showed how the rates are determined. Average usage is twenty-four units per quarter and he predicted in-City residents with average usage would see a bill of about \$207.20 per quarter if the rate increases are adopted. He went on to say that the overall trend in rates will continue to rise as the City takes on the future projects that are required. On the bright side he said the MEDC recently established a grant program for the type of projects the City will be undertaking.

There was discussion among Council. The point was made that we are letting money leak into the ground if we do nothing to fix any of the issues facing our utility systems. City Manager Henne said he would like to see overall water loss reduced to 4% over time.

Motion by Councilmember Pidek to approve the following resolution adopting water and sewer rates beginning January 1, 2020:

RESOLUTION NO. 179-2019

WATER AND SEWER RATE SCHEDULE FOR THE CITY BEGINNING FIRST QUARTER JANUARY 2020

"Pursuant to Sections 34-248. Water Rates, and 34-249. Sewer Rates, of Article V, of Chapter 34, of the Owosso City Code, the City Council does hereby resolve that the rate schedule for water and sewer service shall be in effect for the City beginning December 18, 2019 and continuing thereafter until modified or replaced by further Council action. Bills issued with a nominal ending bill date of December 17, 2019 shall be billed under the previous rate schedule. All previous resolutions or parts thereof, insofar as the same may be in conflict herewith, are hereby repealed following the effective date of this schedule."

I. QUARTERLY WATER AND SEWER RATES

In-town quarterly water service charges consist of: a demand charge based on water meter size (see table below), a capital charge dedicated for water main replacement, and a metered usage charge. One meter unit is equal to 100 cubic feet of water or about 750 gallons. Rates for retail out-of-town water service are double the in-town rate, except that the capital charge does not apply to out-of-town customers where the respective Township separately finances water main replacement. Twenty five percent of the out-of-town revenue is collected for and transferred to the respective Township for use in replacing and improving their water distribution system.

Quarterly sewer charges consist of a demand charge based on the water meter size (see table below) and a sewer usage charge based on metered water consumption. The City has no retail out-of-town sewer service.

Bills are issued on a quarterly basis and, if not paid by the due date as shown on the billing, a late payment charge of ten percent (10%) of the current amount due may be added for failure to make prompt payment.

QUARTERLY WATER SERVICE CHARGE:

In-town: In-town Water Usage Charge of \$2.26 per meter unit plus In-town Water Demand Charge plus Capital Charge from Table below.

Out-of-town: Out-of-town Water Usage Charge of \$4.52 per meter unit plus Out-of-town Water Demand Charge from Table below.

QUARTERLY SEWER SERVICE CHARGE:

Sewer Usage Charge of \$2.80 per unit plus Sewer Demand Charge from Table below.

For residential customers without metered water service, the quarterly sewer charge shall be \$99.20 per residential unit.

Notice of Intent to Issue Revenue Bonds and Right to Referendum

City Manager Henne indicated the Notice of Intent is required for the DWRf loan and marks the next step in the DWRf process. He reminded Council that the City is not obligated to borrow the maximum amount listed in the notice, they can always choose to spend less.

Motion by Councilmember Pidek to adopt the following resolution of Notice of Intent to Issue Revenue Bonds and Right to Referendum thereof for the proposed issuance of bonds to finance the 2020 DWRf projects.

RESOLUTION NO. 180-2019

**CITY OF OWOSSO
COUNTY OF SHIAWASSEE, STATE OF MICHIGAN**

**RESOLUTION AUTHORIZING
NOTICE OF INTENT TO ISSUE REVENUE BONDS**

WHEREAS, the City of Owosso, County of Shiawassee, State of Michigan (the "City") determines it to be necessary for the public health, safety and welfare of the City and its residents to acquire and construct improvements to the City's Water Supply System including, but not limited to, replacement of water mains and acquisition and construction of improvements and repairs to the water treatment plant, together with any appurtenances and attachments and any related site improvements (collectively, the "Project"); and

WHEREAS, the City anticipates it will obtain funding for the Project from the Michigan Drinking Water Revolving Fund (DWRf), a low interest loan financing program administered by the State of Michigan Department of Treasury and the Michigan Finance Authority; and

WHEREAS, in order to obtain loans from the DWRf Program, the City must issue bonds, and the Revenue Bond Act, Act 94, Public Acts of Michigan, 1933, as amended ("Act 94"), provides a means for financing the acquisition, construction, and improvement of public

improvements such as the Project through the issuance of bonds payable from revenues of the City's Water Supply System (the "System"); and

WHEREAS, the issuance of bonds under Act 94 payable from revenues of the System in one or more series in an aggregate amount not-to-exceed Three Million Four Hundred Ninety-Five Thousand Dollars (\$3,495,000) (the "Revenue Bonds") for the purpose of financing the Project represents the most practical means to that end, and Section 33 of Act 94 requires the City to publish a notice of intent before the City can issue the Revenue Bonds.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The City Clerk is hereby authorized and directed to publish, or cause to be published, a notice of intent to issue the Revenue Bonds in the *Argus-Press*, a newspaper of general circulation in the City. The notice of intent shall be published as a one-quarter (1/4) page display advertisement in substantially the following form:

**NOTICE TO ELECTORS OF THE CITY OF OWOSSO
AND TO USERS OF THE CITY'S WATER SUPPLY SYSTEM
OF INTENT TO ISSUE REVENUE BONDS
AND THE RIGHT OF REFERENDUM THEREON**

PLEASE TAKE NOTICE that the City Council of the City of Owosso, County of Shiawassee, State of Michigan, intends to issue and sell revenue bonds pursuant to Act 94, Public Acts of Michigan, 1933, as amended, in an amount not to exceed Three Million Four Hundred Ninety-Five Thousand Dollars (\$3,495,000) for the purpose of paying costs to acquire and construct improvements to the City's Water Supply System including, but not limited to, replacement of water mains and acquisition and construction of improvements and repairs to the water treatment plant, together with any appurtenances and attachments and any related site improvements.

The Revenue Bonds may be issued in one or more series and may be combined with bonds issued for other purposes as shall be determined by the City Council. Each series of the Revenue Bonds will mature in annual installments not to exceed the maximum permitted by law, with interest on the unpaid balance from time to time remaining outstanding on said bonds to be payable at rates to be determined at sale of the Revenue Bonds but in no event to exceed such rates as may be permitted by law.

SOURCE OF PAYMENT OF REVENUE BONDS

THE PRINCIPAL OF AND INTEREST ON THE REVENUE BONDS SHALL BE PAYABLE solely from the revenues received by the City from the operations of the water supply system, except as provided below if the revenue bonds are sold to the Michigan Finance Authority. The revenues will consist of rates and charges billed to the users of the System, a schedule of which is available at www.ci.owosso.mi.us/utilities. The rates and charges may from time to time be revised to provide sufficient revenues to provide for the expenses of operating and maintaining the System, to pay the principal of and interest on the revenue bonds and other obligations of the System, and to provide reserves for these purposes.

ADDITIONAL POTENTIAL SOURCES OF PAYMENTS

The City anticipates that it will sell the revenue bonds to the Michigan Finance Authority. The Michigan Finance Authority may require the City to pledge for the payment of the revenue bonds money received or to be received by the City derived from imposition of taxes by the State and returned to the City as provided by law, except for money the use of which is prohibited for such purposes by the State Constitution. The City may enter into an agreement providing for the payment to the Michigan Finance Authority or a trustee of taxes collected by the State and returned to the City, and such funds may be pledged for the payment of the revenue bonds.

RIGHT OF REFERENDUM

THE REVENUE BONDS WILL BE ISSUED WITHOUT A VOTE OF THE ELECTORS UNLESS A VALID PETITION REQUESTING SUCH A VOTE SIGNED BY NOT LESS THAN 10% OF THE REGISTERED ELECTORS RESIDING WITHIN THE BOUNDARIES OF THE CITY IS FILED WITH THE CITY CLERK WITHIN FORTY-FIVE (45) DAYS AFTER PUBLICATION OF THIS NOTICE. IF SUCH PETITION IS FILED, THE REVENUE BONDS MAY NOT BE ISSUED WITHOUT AN APPROVING VOTE OF A MAJORITY OF THE QUALIFIED ELECTORS RESIDING WITHIN THE BOUNDARIES OF THE CITY VOTING THEREON. If such petition is filed and the electors of the City voting thereon approve the issuance of the revenue bonds, then the bonds may be payable from revenues or from ad valorem taxes that may be levied on all taxable property in the City without limitation as to rate or amount.

THIS NOTICE is given pursuant to the requirements of Section 33, Act 94, Public Acts of Michigan, 1933, as amended.

2. The City Council does hereby determine that the foregoing form of notice of intent to issue the Revenue Bonds, and the manner of publication directed, is adequate notice to the electors of the City and the users of the System, and is the method best calculated to give them notice of the City's intent to issue the Revenue Bonds, the purpose of the Revenue Bonds, the source of payment of the Revenue Bonds, the security for the Revenue Bonds and the electors' right of referendum, and that the provision of forty-five (45) days within which to file a referendum petition is adequate to insure that the City's electors may exercise their legal rights of referendum, and the newspaper named for publication is hereby determined to reach the largest number of persons to whom the notice is directed.

3. The City may incur expenditures for the Project prior to receipt of proceeds of the Revenue Bonds, and may advance moneys for that purpose from the funds of the water supply system to be reimbursed from proceeds of the Revenue Bonds when available.

4. The City hereby makes the following declaration of intent for the purpose of complying with the reimbursement rules of Treas. Reg. § 1.150-2 pursuant to the Internal Revenue Code of 1986, as amended:

- (a) As of the date hereof, the City reasonably expects to reimburse itself with the proceeds of debt to be incurred by the City for costs of the Project that were or will be paid subsequent to sixty (60) days prior to the date hereof.
- (b) The maximum principal amount of debt expected to be issued for the Project is \$3,495,000.
- (c) The expenditures described above are "capital expenditures" as defined in Treasury Regulation § 1.150-1(b), which are any costs of a type which are properly chargeable to a capital account (or would be so chargeable with a proper election or with the application of the definition of placed in service under Treas. Reg. § 1.150-2(c)) under general Federal income tax principles (as determined at the time the expenditure is paid).

5. The City requests Robert W. Baird & Co., Incorporated to serve as Loan Facilitation Agent to assist the City in preparation and planning for the sale of the Revenue Bonds.

6. The City requests Miller, Canfield, Paddock and Stone, P.L.C. ("Miller, Canfield") to continue as bond counsel to the City for the Revenue Bonds. The City recognizes that Miller, Canfield has represented from time to time, and currently represents, the Michigan Finance Authority and various underwriters, financial institutions and other potential participants in the financing process for unrelated projects, any of which might offer to purchase the Revenue Bonds. The City requests Miller, Canfield to continue as bond counsel, notwithstanding the potential concurrent representation of any such potential participant regarding any unrelated matter.

7. The Finance Director is authorized to apply to a rating agency for a credit assessment if necessary to comply with requirements to participate in the Michigan Drinking Water Revolving Fund program.

8. The officers, administrators, agents and attorneys of the City are authorized and directed to take all other actions necessary and convenient to facilitate preparation of the Revenue Bonds for sale. The Revenue Bonds will be sold only after the City Council approves a resolution or ordinance authorizing issuance and sale of the Revenue Bonds.

9. All resolutions and parts of resolutions, insofar as they conflict with the provisions of this resolution, are hereby rescinded.
