Dear Resident:

The RedZone Robotics Company has been contracted by the City of Owosso to inspect the sanitary sewer system within the city limits. The employee carrying this letter works as a subcontractor to RedZone and has been authorized to access our sewer system as necessary to complete the inspections. This Televising and Inspection Project commences March 21, 2016 and may continue until early September, 2016.

If you have any questions concerning this project or their activities please call 989-725-0555 or 989-666-8206.

A handwritten signature in black ink that reads "Glenn M. Chinavare". The signature is written in a cursive style with a large initial "G".

Glenn M. Chinavare  
Director of Utilities
