This generator is currently in service and has been recently repaired. The successful bidder will need to arrange for own transportation of this equipment (a flatbed trailer or a low boy trailer is required). This equipment must be lifted by crane onto a trailer for transport. The container housing the generator has no wheels, only steel I-beam skids.

The seller will provide crane service for lifting and setting this equipment onto the buyer's trailer, on August 30, 2017 only. Buyer must arrange for a trailer large enough to transport this equipment on August 30, 2017. Maintenance and service records are available and will go with the equipment. It currently has 607 operating hours on the meter. Minimum Bid is \$5,000.00

Potential bidders may inspect onsite Mon.-Fri. between the hours of 7:00 a.m. - 3:00 p.m. Please call (989) 725-0560 in advance to schedule inspection.
