James S Miner Launch Questions

Q: Where are access areas for the project? Can the Owosso Middle School driveway be used?

A: The Owosso School District has given the City permission to use the driveway. Owosso DPW can remove a section(s) of fence to provide access to the launch area. Advance notice must be given to Owosso DPW for fence removal/replacement. The Owosso Middle School is currently for sale so if a new owner purchases the property prior to project completion, an alternative route will need be used to access the launch area. The Owosso Armory Lot and the Williams St entrance to the James S Miner Trail can be used.
