

City Manager's Report: November 7, 2022

Projects, Updates, Community Information, Staffing, General Operations

ECON	OMIC DEVELOPMENT PROJECTS	
152 Howard Street - \$725,000 Rental Rehab Grant (Federal)	\$1.2 million project to rehab building to add 7 new residential units – 4 of which will be low income for 5 years. Façade restoration is included. MEDC announced to owners that this grant program does not fit with the project. We are awaiting their alternative proposal to continue redevelopment efforts. This project has local tax abatements.	On hold
Westown craft brewery – tentative \$400,000 CRP grant	\$800,000 project to redevelop a historic Westown storefront building into a craft brewery and upper story housing. Total state grant amount estimated at \$400,000 through the Community Revitalization Program grant	Application Submitted
123 N Washington project – estimated \$750,000 CRP grant	\$2.9 million redevelopment of downtown building to include 11 new upper story residential units and a restored historic façade. This project includes local tax abatements.	Application submitted
Old Middle School project	Estimated \$12-\$15 million redevelopment to include 50-54 new residential units. This project will most likely include LITEC and historical tax credits. This project was granted a 4% PILOT for the life of the mortgage but only for the previous developer. The new developer will ask for a similar PILOT ordinance to be granted. The tax credit application was rated 3 rd out of all submitted. It is likely that MSHDA will only have enough funding this round for one project. We can reapply in April 2023 if we get denied this round.	OPS sold property to Venture, Inc. 4% PILOT ordinance approved. On track for Oct 1 tax credit application submittal
114 W Main St Upper Story Housing - \$700,000 rental rehab grant	This project will add 7 new residential units on the 3 rd floor of this downtown building. The first two floors are commercial. This project includes tax abatements already granted.	Application submitted. Public Hearing and Environmental Exemptions in Progress
TOTAL ECONOMIC DEVELOPMENT PROJECTS	\$19,900,000	

NON-CI		
Matthews Building Site	Site backfilled, hydro-seeded, and secured.	
Lula's Building – Fire Damage	Contractor demolition permit submitted and approved. Building will be demolished, leaving Lily Pearls intact.	December 2022
City Club Building – Sky Bridge Demolition	Contractor began demolition on October 24.	In Progress

			Grants
Grant	Amount	Status	Description
Drinking Water State Revolving Loan Fund	\$1,033,750	Preliminary Award - 2023	This grant will help with lead service line replacement, water main replacement, and well upgrades. It's part of a \$4,045,000 project to continue improving the Owosso water system. Water Main: North, Lee, Clyde, Lunn, Huron, Milwaukee. Lead Service replacements in water main project areas. SCADA upgrades at water treatment plant. Improvements to Palmer 3a and Juniper wells. Fishbeck water study. Remainder of cost will be paid with low interest SRF loans.
Clean Water State Revolving Loan Fund	\$1,412,500 plus \$5,300,000 loan forgiveness	Preliminary Award – 2023	This grant plus loan forgiveness program will partially fund the replacement of the 3 treatment towers at the wastewater treatment plant. Total cost of the project is \$13,425,000. The remainder of the cost with be paid with low interest SRF loans.
Railroad Grade Repair Grant ARP Grant – Medicare/Medicaid/CHIP	\$181,653	Awarded Award Updated	This grant is from MDOT and will fund the replacement of the railroad crossing at S. Cedar Street. The Department of Health and Human Services (HHS), through the Health Resources and Services Administration (HRSA), is making payments to providers based on the amount and type of Medicare, Medicaid, and Children's Health Insurance Program (CHIP) services provided to rural beneficiaries from January 1, 2019 through September 30, 2020. Initial award was \$56,200. An additional
ARPA Funding	\$1,510,000	Awarded	\$24,530 was awarded in Dec 2021. 1st payment received. Last payment will be received in 2022. Public online survey completed. Waiting on Council members to submit project application scoring to staff. \$750,000 has been allocated to water infrastructure.
MSHDA NEP Grant DNR Grant for Holman Pool Building	\$75,000 \$150,000	In Progress Cancelled	Used to assist low-income home owners with eligible exterior home improvements up to \$7,500. Application being drafted. Bids came back more than twice what was budgeted for the project due to increases in labor and material costs. The building will be used
EGLE DWAM Grant	\$460,000	Awarded	for storage. Work scope includes investigating 364 water service lines through the city, updating distribution system material inventory, and updating the water asset management plan. Project is under design phase by OHM Advisors. Water service line material investigation inside the building at the water meter has been completed at roughly 250 locations. Potholing at curb stops by contractor to follow in Spring 2023. The project is funded by a grant from the State of Michigan.
EGLE Service Line Replacement Funding	\$3,000,000	Awarded	Owosso's application was scored the highest this round. Project plan submitted July 1, 2021. This is 100% forgiven loan (Booker Funding) through the state's revolving loan fund program. Dollars will be used to replace water service lines subject to LCR requirements.
EGLE Service Line Replacement Funding (2)	\$1,345,000	Awarded	This partial loan forgiveness funding is tied to the application above. This project involves more LSR replacements coupled with the replacement of the Center St water main and rehabilitation of the water system elevated towers. This opportunity is 30% Booker forgivable. Remainder of this project will need ARPA funding to complete.
FEMA SCBA Grant	\$250,000	Denied	This grant replaces the OFD's breathing apparatuses. This is the second year we have been denied.
FEMA Radio Grant	\$1,200,000	Denied	This grant was in conjunction with other municipalities to replace OFD's radio units.

Federal COPS Grant	\$582,875 over 3 years	Denied	This grant funds up to 3 new police officer positions for 3 years. If awarded, the city would be required to continue funding these positions for an additional year.
Saginaw WIN Grant	\$10,500	Awarded	To help fund the Middle School area kayak launch.
USDA Police Cruiser Grant	\$17,500	Awarded	To pay 55% of the cost of a replacement police cruiser.
Safe Routes to School	\$600,000	Applied	Work scope includes constructing ADA compliant sidewalk ramps at various locations within the city along with constructing new sidewalks primarily in the Middle School area. Topographic survey is currently being processed. Design work by city staff to follow.
Consumers LED Rebate	\$5,460	Completed	Replace light fixtures in City Hall with more efficient LED lights
Small Urban Grant	\$375,000	Denied	Reconstruct Chipman St from Beehler to M-21.
MEDC WRI Grant	\$1,600,000	Denied	Replace water main, streets, and LSLs on Center, Clyde, Huron, Lynn, and Milwaukee Streets. 25% match required.
MCACA Grant	\$82,500	Denied	Replace library AC, Library steam pipes, Gould House heat and AC, and Castle boiler. Required \$82,500 match. Will know in September, 2021 if we are awarded.
Small Urban Grant	\$375,000	Awarded	Reconstruct Gould St from Oliver to Moore.
T-Mobile Hometown Grant	\$45,300	Denied	Possibly help fund the Middle School Kayak Launch project so no millage money would be needed to complete the project. This would add to the Saginaw WIN Grant already awarded.
Wellhead Protection Grant	\$52,000	Denied	Fund wellhead educational activities, groundwater audit, wellhead protection software, and update the city's wellhead plan.
\$1.15 Billion Pension Funding Bill – State of Michigan	N/A	N/A	\$1.15 billion has been proposed by the House of Representatives in Lansing to help fund pension shortfalls for Michigan communities with unfunded liability. \$250 million will go to communities like Owosso with a pension funding level of 60% or greater. The bill was passed by the House and then referred to the Senate Appropriations Committee where it has yet to receive a hearing.
Consumers Tree Planting Grant	\$2,600	Awarded	Consumers Energy's tree planting grant program to assist with annual fall tree planting in 2022.
MDOT RR Grade Crossing Grant – Woodlawn	\$108,621	Applied	Replace RR crossing at Woodlawn Ave. Funding: 60% MDOT/40% RR
MDOT RR Grade Crossing Grant – Chestnut	\$81,765	Applied	Replace RR crossing at Chestnut St. Funding: 60% MDOT/40% RR
MDOT RR Grade Crossing Grant – S. Chipman	\$112,381	Applied	Replace RR crossing at S Chipman St. Funding: 60% MDOT/40% RR
FY 2023 DWSRF – Water	\$1,011,250	Awarded	Replace water main on North, Lee, Clyde, Lunn, Huron, and Milwaukee St and LSRs (see below for project specifics). SCADA control upgrade at water plant. Wells at Palmer and Juniper. Fishbeck water study. Grant amount is 25% of total project cost. Remainder to be funded by SRF low interest loans.
FY 2023 CWSRF – Sewer	\$6,712,500	Awarded	Replace waste water plant treatment towers (3). This represents 50% of the cost of the project funded by grants and forgivable loans. The remainder will be funded by low interest SRF loans.
TOTAL GRANTS AWARDED	\$21,998,421	Grants Denied	\$4,187,675

	PARKS/ CEMETE	RY/ FORESTRY/ NONMOTORIZED	
Project	Project Name/Description	Status	Completed
	CIS Trail Extension — Extend trail from Priest Rd. to City.	Huron & Eastern Railroad told the city they will not agree to allow the trail to run along RR right of way for liability reasons. Alternate route being pursued. This route does not involve RR at all. Would require easements through township and private property. UPDATE: State funding may be available to complete. Unclear as to what route will be used. City engineers provided estimates for state officials to seek funding.	TBD
	Canoe/Kayak Launch installation	Work scope includes constructing a kayak launch, landing area, and stairway. The project location is along the east bank of the Shiawassee River, about 60' north of the Heritage Footbridge. The launch, landing area, stairway, sidewalk, and rip rap are complete. The site is mostly complete but we are still waiting on the canoe chute and railing to be installed.	Fall 2022
	Oakwood Bridge Surface Repair	DPW to replace entire surface. Material costs estimated to be \$35,000	On Hold. Bad boards replaced.

MOTOR VEHICLE POOL			
Public Safety	Ambulance replacement	Order placed. Will take 18 months. Saving \$100,000 this year and purchasing FY 2022-23. Chasing down potential new grant opportunities through USDA.	June 2023

	BUILDING AND GROUNDS				
Library	HVAC rehab	Replace aging air conditioning systems. 3 rd party estimate received.	Complete.		
	Boiler Steam Distribution Line Replacement	The boiler for the library is in good shape. However, the distribution lines are leaky and need replacement. This would replace the entire distribution system. Multiple patches have been installed and the leaks are just appearing in new areas. Unlikely to be completed with MCACA grant denial.	TBD		
Gould House	Landscaping improvements	Peterson Landscaping hiring to begin major cleaning of landscaping. DPW staff assisted with some minor trimming and weeding to get us through the summer.	Initial clearing complete.		
City Hall	Finance wing carpet replacement Security and Accessibility - IT	Postponed due to COVID. Carpet purchased. Replace/Add technology at city hall for security and accessibility. Replace old doorbell on basement entry and upgrade silent alarm system.	Complete Postponed for supply delays		
	Replace laserfiche server	Replace 20 year old server that holds many electronic city records for the clerk's office	November 2022		
	Wireless accessibility	Replace and add routers for better WiFi coverage in city hall. Current dark areas on all floors will be corrected. Speed increased	December 2022		

Replace phone system routers	These routers connect all city facilities on one phone system. Current routers are no longer supported by Cisco.	December 2022
Recharge server room Halon Syst	The gas fire suppression system in the server room needs to be recharged	December 2022
Police Body Cameras	Purchase and equip officers with body cameras. Server purchased FY 19-20.	December 2022
