- **Quotes Due: 9/14/2021 by 3:00 P.M.**

The City of Owosso requests quotes for a manufactured aluminum rolling dock. The dock will be installed on Hopkins Lake at Gerald E. Collamer Park. The dock shall have a gangway that is approximately 12'x8' and a platform measuring approximately 16'x4'. This will be an "L" shaped dock. Quotes must provide material spec sheets. The quote must include all accessories needed for installation.

The City of Owosso will provide labor for installation. Pricing shall be FOB Owosso at point of assembly or Owosso Public Works facility. Must supply detailed assembly instructions (printed and/or digital) including part schematics with all manufacturers and part numbers listed with dock delivery. Also all warranty information for parts and assemblies.
