DATE: March 18, 2019

TO: Mayor Eveleth and Owosso City Council members

FROM: Amy Cyphert, Assistant City Manager & Community Development

Director

SUBJECT: Medical Marihuana Regulations Amendments

RECOMMENDATION:

Hold a public hearing on March 18, 2019 to receive citizen comment regarding the adoption of amendments to the City's existing Medical Marihuana Facilities zoning ordinances. Following the public hearing, make the decision to revise, adopt, or remand the amendments back to Planning Commission.

BACKGROUND:

A public hearing was held by the Planning Commission on Monday, February 25, 2019 at its regularly scheduled meeting to receive citizen comment regarding draft ordinance language to amendment the buffer zone requirements for Medical Marihuana Facilities.

One public comment was made questioning when the lottery would be scheduled.

Once the amendments are adopted, Council will be responsible for setting a 30 day window to receive applications for provisioning centers. Staff will do a lottery drawing for these specific applications after the 30 day window is closed, recording the names of all applicants in the order they are drawn.

FISCAL IMPACTS: None

DATE: March 18, 2019

TO: Mayor Eveleth and Owosso City Council members

FROM: Amy Cyphert, Assistant City Manager & Community Development

Director

SUBJECT: Industrial Zoning District Screening Amendments

RECOMMENDATION:

Hold a public hearing on March 18, 2019 to receive citizen comment regarding the adoption of amendments to the City's existing zoning ordinances related to industrial zoning district and use screening requirements. Following the public hearing, make the decision to revise, adopt, or remand the amendments back to Planning Commission.

BACKGROUND:

A public hearing was held by the Planning Commission on Monday, February 25, 2019 at its regularly scheduled meeting to receive citizen comment regarding draft ordinance language to amendment the zoning ordinances related to industrial zoning district screening requirements.

No public comments were made.

FISCAL IMPACTS: None

North, Monroe, Allendale, Abrey, Street Special Assessments

How are street conditions rated?

- Owosso uses the Pavement Surface Evaluation and Rating (PASER) system to rate the condition of it's streets.
 - . The city engineer conducts this assessment every 3 years
 - PASER was developed by the University of Wisconsin and adopted by the Michigan Transportation Asset Management Council for rating state roads
- There was also a study done on Owosso's streets by Dr. Abass Butt in 2012. This was presented to City Council as part of an overall street condition/maintenance discussion.
 - . Dr. Butt assigned a Pavement Condition Index (PCI) rating to each street at that time.
 - . PCI ratings coordinate with PASER ratings.
 - . PCI is on a scale of 0-100 and PASER is on a scale of 0-10

How are assessments calculated?

- "City Engineer estimates project cost based on current unit costs (asphalt, labor, material, etc.)
- Engineer assigns certain project costs as assessmenteligible costs.
 - Asphalt, curbs, gutters, driveway aprons, drain structures, 15% of engineering, 5% of administrative
- These assessment-eligible costs are then split 60/40 between the city and property owners
 - . So, property owners pay 40% of all assessment eligible costs, 6% of engineering, and 2% of administration
- The 40% is then divided by the total front footage for each property ownership class residential and commercial to get the cost per front foot for both residential and commercial properties.
- This cost per front foot is then multiplied by each property's front foot amount respective to its class to come up with each property's total assessment amount

Why a 60/40 cost share?

- The City is authorized by the Home Rule City Act (PA 279, 1909) to pay for public improvements by special assessment if we have an ordinance in place.
- Chapter 10 of the City Charter authorizes city council to pass an ordinance to pay for such improvements through assessments.
- Section 28-4 of the City Code of Ordinances gives the city manager the authority to set and recommend a cost share policy for special assessments as well as what components of the project can be specialassessed
 - . Enacted by the City in 1977

Abrey Street Front-Foot Calculation

- " 1,025.15 total front feet
- " Residential calculation
 - . \$52,685.21 total eligible cost...
 - . Multiplied by 40% @ 4" rule = \$17,818.35...
 - . Divided by total front feet = \$17.38 per front foot
 - $(52,685.21 \times 0.40)/1025.15 = 17.38$

Commercial calculation

- . \$52,685.21 total eligible cost...
- . Multiplied by 40% @ 6" rule = \$21,074.08
- . Divided by total front feet = \$20.56 per front foot
- $(52,685.21 \times 0.40)/1025.15 = 20.56$

SUBJECT: SRI/MDOT Transportation Alternatives Program Grant – 175 rebuild project

BACKGROUND:

Last year the Owosso Steam Railroad Institute acquired another steam locomotive – the Chicago North Western 175. It was taken apart and hauled in from the Upper Peninsula where it has been awaiting a rebuild. This month, City staff met with SRI staff for a conference call with MDOT regarding TAP grant funding to rebuild the 175 – much like the funding provided for the 1225.

The City will need to apply for this grant while the SRI will provide the matching funds. The grant application and implementation will fall to MDOT and the SRI respectively. However, the SRI needs formal support from the City just like when they rebuilt the 1225.

FISCAL IMPACT:

None. Grant matching funds will come from SRI.

Alex Nikoloff Grant Coordinator MDOT Office of Economic Development 425 W. Ottawa St. Lansing, MI 48909

Dear Mr. Nikoloff:

The City of Owosso seeks to partner with MDOT to secure Transportation Alternatives Program (TAP) grant funding to assist the Steam Railroad Institute in their efforts to rebuild the Chicago and North Western Railway 175 steam locomotive. The SRI plans to use the rebuilt 175 to expand the current steam train events and trips currently shouldered by the Pere Marquette 1225.

This funding – if granted – will increase the economic impact of Owosso and the surrounding region by expanding the number of destinations for SRI excursions due to the lighter weight of the 175 compared to the 1225. By increasing accessible track mileage, these excursions can begin visiting previously unreachable cities and towns across the state – increasing tourism and historic preservation awareness of a nostalgic era in American railway history.

If you require more information or have any questions, please contact my office.

Sincerely,

Christopher T. Eveleth, Mayor

GI 6>97 H. Michigan Department of Natural Resources 2019 Recreation Passport Grant

Application for the rehabilitation of the parking-lot and building in Grove Holman Park

F97CAA9B85H-CB.

Approve the request from staff to apply for a \$150,000 grant from the MDNR as outlined below.

657?; FCI B8.

The Parks & Recreation Commission recently ran a successful crowdfunding campaign through the MEDC's Public Spaces, Community Places program to construct a new skate park in Grove Holman Park. A total of \$50,749.00 was raised using the crowdfunding site by 751 donors. The MEDC then provided an additional \$30,000.00 as a match for the project. These funds along with previous fundraised dollars have secured the development of the park which will be finished this summer. In addition, Grove Holman Park is currently used as our community sledding area.

This park is the former site of the City's community pool (Holman Pool). In the early 2000s, due to age, infrastructure failures and lack of funding, the pool was dismantled and filled-in leaving behind the old pool building. This structure is a concrete block building with a concrete foundation and was used for locker storage, showers, and restrooms. When the pool was shut down the building was also shut up.

The future development of the skate park and the current location of the sledding hill open this park up to four-season use. As a result, the Parks & Recreation Commission would like to restore the former pool building and reactivate it with public restrooms, a concessions area, and a warming station, along with reconstructing the drive and parking area. The restored building would be a year-round facility that would bring new life to the park.

The Commission is asking for permission to apply for a 2019 Recreation Passport Grant through the DNR for \$150,000.00 to rehabilitate the Grove Holman Building and parking area for the uses stated above.

Due to time constraints on the grant and the availability of specific resources, a draft of the grant application is not available at this time. It is expected that the grant application will be completed by March 31st, prior to the April 1 deadline. Please contact me with any questions or concerns regarding this grant application request.

: =G7 5 @=A D5 7 HG.

Staff is asking the city commit a minimum of \$50,000 as its local contribution toward this project. Funds will come from a portion of the Parks and Recreation millage capture.

WHEREAS, Holman Grove Park is noted as a destination point within the city of Owosso that is being revitalized with the construction of a new skate park; and

WHEREAS, the current building in the park is no longer functioning, and regular maintenance cannot effectively address the reactivation of the structure; and

WHEREAS, the city of Owosso and its partners intend to rehabilitate the park's parking-lot, driveway, and existing building, using it for public restrooms, concessions, and a warming station for activities involving the skate park and winter sledding hill; and

WHEREAS, the city of Owosso and the Parks and Recreation Commission are publicly and financially committed to carrying out the improvements to the building and parking areas in Holman Grove Park; and

WHEREAS, the State of Michigan Department of Natural Resources is accepting Recreation Passport Grant applications for up to \$150,000 towards new or rehabilitated facilities for the purpose of "providing public outdoor recreation opportunities and infrastructure to support public outdoor recreation activity";

NOW, THEREFORE, BE IT RESOLVED that the city of Owosso city council commits to funding the capital rehabilitation funding proposal below and directs staff to complete and submit an application for the Recreation Passport Grant Program through the Michigan Department of Natural Resources (MDNR).

APPROVAL OF MINUTES:

MOTION BY VICE-CHAIR LIVINGSTON. SUPPORTED BY COMMISSIONER LAW TO APPROVE THE MINUTES FOR THE DECEMBER 10, 2018 MEETING.

YEAS ALL. MOTION CARRIED.

PUBLIC HEARINGS:

1. Public hearing and action on Proposed Amendments to Chapter 38 - Zoning Ordinance buffer zone requirements for medical marihuana businesses Sec 38-197, Sec 38-217, Sec 38-242, Sec 38-267. Sec 38-292

Ken Spindler is closing on 1370 E. South Street shortly and wanted to know the timeline for the lottery. Ms. Cyphert stated the amendments need to be approved by Council and become effective then Council will determine the date of the lottery and the 30 day window prior to lottery. Commissioner Adams asked for the possibility of further amendments or adjustments. Ms. Cyphert stated we've tried to give you everything we know at this point, but marijuana is a bouncing ball at this point, you do what you can when you have sufficient information. The board may want to reopen medical marihuana when you talk about recreational, depends on what you want as this will be constantly evolving.

Commissioner Adams asked what have other communities decided to do. Ms. Cyphert stated medical marihuana is a work in progress but most communities are holding off on recreational until the State finalizes the rules. Ms. Cyphert advised to hold off on recreational until the State issues the final rules (not temporary).

MOTION BY VICE-CHAIR LIVINGSTON, SUPPORTED BY SECRETARY FEAR TO FORWARD THE PROPOSED AMENDMENTS TO THE MEDICAL MARIHUANA ORDINANCE TO COUNCIL FOR THEIR CONSIDERATION AND APPROVAL.

OLD BUSINESS

3. Review of Proposed Amendments to Chapter 26 - Sign Ordinance and provide edits and/or schedule a public hearing for March meeting

Ms. Cyphert stated that she worked with the City Attorney and contacted other communities and believes what is proposed will serve your purposes. Ms. Cyphert also requested the board postpone the Sign Ordinance amendments, until a new Planning Consultant is hired.

Discussion held on some possible changes to the draft. In particular, festoons on buildings and the look of festoons. Flutter signs should be enough without festoons. Separate lights from festoons in the wording.

MOTION BY VICE-CHAIR LIVINGSTON. SUPPORTED BY COMMISSIONER LAW TO POSTPONE AMENDMENTS TO THE SIGN ORDINANCE UNTIL A NEW PLANNING CONSULTANT IS HIRED.

YEAS ALL. MOTION CARRIED.

NEW BUSINESS

4. Presentation and action of the City of Owosso 2019-25 Capital Improvements Plan

Ms. Cyphert stated the Capital Improvement Plan (CIP) is required by Redevelopment Ready and it is also a good tool for managing your budget and projects. The CIP is helpful for Council so they have an idea of what the budget needs are in the next few years. Also helpful when applying for grants, project coordination and outside entities so that they can coordinate their projects with the City. Many projects are drawn from other plans and ultimately the document is just a proposal as Council will determine what projects move forward.

MOTION BY SECRETARY FEAR, SUPPORTED BY VICE-CHAIR LIVINGSTON TO ADOPT THE CITY OF OWOSSO 2019-25 CAPITAL IMPROVEMENTS PLAN (CIP) AND RECOMMENDS COUNCIL ADOPTION.

YEAS ALL. MOTION CARRIED.

5. 2018 Planning Commission Annual Report per 125.319 (2) of the Michigan Planning Enabling Act 33 of 2008

Ms. Cyphert stated this will be given to Council as a report. The City's certification is still a couple of vears out.

MOTION BY VICE-CHAIR LIVINGSTON, SUPPORTED BY COMMISSIONER LAFFERTY TO ADOPT THE 2018 PLANNING COMMISSION ANNUAL REPORT WITH VERIFICATION OF ATTENDANCE RECORDS AND RECOMMEND SENDING TO COUNCIL.

YEAS ALL. MOTION CARRIED.

6. Recreational Marijuana

Secretary Fear doesn't want to find that we are behind the ball when the State comes out with rules. Do we want to start nor or wait?

Vice-Chair Livingston stated we can start when the State starts leaking out the rules, doesn't want to wait until the last minute.

Secretary Fear stated we need to get a feel for what residents want in the meantime.

Commissioner Kirkland stated he would like to avoid re-working everything like we did with medical marihuana.

Commissioner Livingston stated that hopefully it will be easier for the state since they've tackled medical marihuana.

Commissioner Adams agrees and doesn't want to wait too long. Do we want to revisit the subject every time the state releases some information?

Ms. Cyphert responded with see how the big cities write their ordinances; they have lots of advisors, input, and resources. Ms. Cyphert cautioned against talking about recreational marijuana at every meeting as an agenda item. It will give others the impression that you are actively working on an ordinance amendment; cautioned against being the first community to put an ordinance out there.

- 7. Ms. Cyphert stated that March 8th is her last day. She has enjoyed her time here. You are on your way to getting a lot of things done and will not be leaving you in bad hands. She thinks a Planning Consultant or full time Planning Advisor will be hired.
- 8. At the last meeting there were questions about the Smith and Voss temporary sign that was used as a permanent sign. The code enforcement to correct the violation took a year and a half.

PUBLIC COMMENTS AND COMMUNICATIONS

Tony Goff, 1370 E. South Street - about 95% of communities that have allowed med marihuana have opted out of recreational marijuana, feels it's a good strategy to wait until the state has released their rules

AYES: ALL. MOTION CARRIED.

2) BUDGET REPORT- Josh Adams, Main Street Manager commented.

TIF money has been received, with an increase of over \$6,000 created some flexibility in the budget although budget remains tight. Maintenance is higher due to trash pickup. A different billing cycle is being negotiated.

IT WAS MOVED BY AUTHORITY MEMBER MOORE AND SUPPORTED BY AUTHORITY MEMBER WOODWORTH TO APPROVE THE BUDGET REPORT AS PRESENTED.

AYES ALL. MOTION CARRIED.

- **3) BOARD MEETING TIME -** Purpose of discussion to adjust the meeting time if appropriate to encourage public attendance, members schedule conflicts requiring them to leave the meeting early. At this point, the time will remain the same but with open mindedness toward change as needed.
- **4) DRAFT EXPECTATION PLAN –** To develop an enhancement of communication between committee members. The plan outlines expectations for committees and its volunteers. Developed to bring in volunteers of varying ages. Request was made to the board to review and provide feedback.
- **5) SELF-ASSESSMENT TOPICS –** Josh will send the self- assessment document to board members, highlighted with topics of improvement. Each board member will respond by suggesting, prior to the next meeting, two items for discussion. The board will decide at the next meeting which item to address first, and then take them one at a time. It will become a part of the regular routine of each meeting.
- **6) 15-MINUTE PARKING** Local business owners would like an opportunity to provide parking for short-term takeout. Discussion that signs should note "pickup/drive up" rather than setting a time limit. Specific parking space locations were discussed. This item will be sent to the Business Owners Committee for further development.

COMMITTEE UPDATES:

1) Design & Business Vitality – a walk thru the downtown will take place next week to draft a plan for main street development. Proposal of plans will be sent to landscaping companies for bids.

The flower program goal is to seek sponsors for each bed to "Adopt- A-Bed" so that funds will be provided for weeding, planting and fall cleanup. The beds will be done by paid individuals instead of volunteers. This will allow budgeted monies to go back into maintenance and streetscape.

- 2) **Promotion & Outreach -** A subcommittee has been formed to begin a Sponsorship Plan for various activities. The Chocolate Walk Event was a success. \$3,000 was raised. Promotions are beginning for summer events. April 6th will be a volunteer recruiting event at Foster's.
- **3)** Business Owners Committee the meeting will be held March 12, 2019, at Roma's, 6:30 PM. The Economic Vitality Specialist from Michigan Mainstreet will be provide training on Pop-Up Shops for business owners and how retail businesses can focus on event- based retail.
