PUBLIC HEARINGS

OPRA Revocation Review – Wesener Building

City Manager Nathan R. Henne noted there are two abatements for this property that will be discussed this evening. The reason they are under review is because the applicant has failed to create 12 full time jobs as promised when the abatement was approved.

A public hearing was conducted to receive citizen comment regarding the staff recommendation to revoke Obsolete Property Rehabilitation Exemption Certificate No. 3-13-0012 for the Wesener Building, located at 104-108 N. Washington Street, for violation of the City's Tax Abatement Policy.

The following people commented in regard to the proposed rescission of OPRA Certificate No. 3-13-0012:

Tom Manke, 2910 W. M-21, said he does not understand why the Council would be reviewing tax abatements while there is an on-going pandemic.

Dave Acton, 106 N. Washington Street, thanked the Council for their patience while he meets the obligations of the abatement. He distributed an updated plan to meet those obligations. He noted that 4 jobs have been created to date with the re-opening of Books & Beans, 4 jobs will be moved to his location from outside the City, and 5 more jobs are anticipated with the opening of another business after the New Year. He said he felt these plans would fulfill the obligations of the abatements and as such he asked that Council allow them to remain in place.

Seeing there were no further citizen comments to be made Mayor Eveleth closed the public hearing.

Mayor Eveleth started off the discussion by thanking the City Manager for reviewing past tax abatements and bringing this issue forward. A majority of Councilmembers expressed the feeling that the continuing COVID pandemic has made job creation extremely difficult. They also noted that Mr. Acton did not abandon or reduce the quality of the project when times got tough and that the project has resulted in a beautiful LEED Certified building that will be an asset to the downtown for decades to come. On the business side, it is also clear the job requirements of the abatements have not been met. Councilmember Teich said there is no black and white solution to the problem. He thanked Mr. Acton for undertaking the project but recognized the requirements of the abatements had not been fulfilled. He suggested allowing Mr. Acton a short time-frame in which to create the necessary jobs. After which, should the requirements remain unfulfilled, the abatements would be terminated. Councilmember Fear indicated she was struggling with the situation, saying Mr. Acton had done great things for the community but he signed a contract and failed to fulfill the terms of the contract. She said it was important to treat everyone equally and that the Council be consistent in such matters. Mayor Pro-Tem Osika expressed a willingness to look at an extension. She expressed concern over a potential business relationship between Books & Beans and Foster Coffee, if such was a conflict of interest, and if that should result in Pidek recusing himself from voting. It was noted that no such agreement had been considered, but it was the City Attorney's opinion that, given the past relationship, Councilmember Pidek should abstain from the vote to avoid the appearance of impropriety. Councilmember Pidek said that as a downtown business owner it could be argued that anything that benefits the downtown potentially benefits him financially, and asked where the rule regarding financial benefit ends. He stated that he had never met the lessee and had no business relationship with her.

The Council recessed at 8:13 p.m. to allow the City Attorney to look into the matter at hand.

The Council resumed regular session at 8:22 p.m.

Mayor Eveleth indicated there were now two matters before the Council. The first dealing with the perception that Councilmember Pidek has a conflict of interest in whether or not the Wesener Building should keep its tax abatements. He called for any motions from those believing a conflict of interest existed that warranted an abstention from Councilman Pidek. No motions were made.

Mayor Eveleth addressed the second matter - of whether the tax abatements for the Wesener Building should be allowed to remain or whether they should be terminated. He noted that he would prefer that Council put the item to rest this evening and opened the floor for motions.

Motion by Councilmember Law to allow the tax abatements for the Wesener Building to continue until the 2022 annual review of abatements, at which time a final determination will be made by Council.

Motion supported by Councilmember Pidek.

Roll Call Vote.

AYES: Councilmember Teich, Mayor Pro-Tem Osika, Councilmembers Pidek, Law, and Mayor Eveleth.

NAYS: Councilmember Fear.

ABSENT: Councilmember Haber.

Mayor Eveleth indicated the Council may want to take another look at the tax abatement policy to see if an update is in order.

Brownfield Termination – Wesener Building

Mayor Eveleth noted that this item goes hand-in-hand with the previous item.

A public hearing was conducted to receive citizen comment regarding the staff recommendation to terminate Brownfield Plan District #13 – Wesener Multi-Use Building for violation of the City's Tax Abatement Policy.

There were no citizen comments received prior to, or during the meeting.

Motion by Councilmember Pidek to allow the Brownfield tax abatement for the Wesener Building to continue until the 2022 annual review of abatements, at which time a final determination will be made by Council.

Motion supported by Councilmember Law.

Roll Call Vote.

AYES: Councilmember Teich, Mayor Pro-Tem Osika, Councilmembers Law, Pidek, and Mayor Eveleth.

NAYS: Councilmember Fear.

ABSENT: Councilmember Haber.

Brownfield Termination – Robbins Loft, LLC. (This item was removed from the agenda as the hearing was cancelled prior to the meeting.)

CITIZEN COMMENTS AND QUESTIONS

Tom Manke, 2910 W. M-21, questioned whether the City could hold building owners responsible for job creation in exchange for tax abatements. He also commented regarding the expert testimony in the case regarding the building at 216 S. Elm Street, saying they didn't know what they were talking about. He said the City should shore up the building, not demolish it.

Mayor Eveleth thanked everyone that helped with Glow, saying it was another great event this year.

Mayor Pro-Tem Osika invited everyone to the Historical Commission Holiday Party this Saturday, December 11th from 5:30pm to 7:30pm at Curwood Castle. She went on to thank Denice Grace and Elaine Greenway for all their work putting the event together.

Councilmember Fear extended her thanks to the DPW for their hard work last week dealing simultaneously with snow removal and leaf pick-up. She also relayed a similar message from a resident on North Washington Street. She went on to offer her deepest condolences to the people of Oxford, Michigan in the wake of the school shooting there. She thanked the local police and sheriff offices for their work to keep our students safe in the week following the tragedy. She also thanked the staff of the Owosso Public Schools for protecting our kids. She said it was time for the legislature to act to ensure that firearms are stored safely. She ended her comments saying that firearms are the second leading cause of death of children and teens in Michigan.

Mayor Eveleth read aloud a very heartfelt letter from Eddie Urban regarding the passing of former Councilmember Burton Fox.

ITEMS OF BUSINESS

Small Cell Wireless Facilities Permit – 812 W. King Street

City Manager Henne indicated the permit is being requested by Verizon. This is the first permit request under the City's Small Cell Wireless Facilities Ordinance. They would like to put up a 5G transmitter on an existing utility pole near the hospital. Mr. Henne noted that this type of installation was the best case scenario in that they will be utilizing an existing utility pole rather than putting in a new one. He went on to say that he thinks Council will receive more requests of this nature in the future.
