The grievant, or his/her designee, with a grievance shall discuss the matter with his/her Public Safety Chief or his/her designee within ten (10) calendar days of the occurrence of the condition giving rise to the grievance in order for the matter to be considered grievable. The grievant or his/her designee shall communicate with the Public Safety Chief through the City of Owosso e-mail system to schedule the meeting. If the grievance is not satisfactorily resolved, it will be reduced in writing within ten (10) calendar days, reciting the sections of the contract which are alleged to have been violated and signed by the employee or the union and then presented to the

Public Safety Chief. Within ten (10) calendar days after the chief has received the grievance, a meeting shall be held between the Public Safety Chief, the grievant and the IAFF representative to discuss the grievance in an attempt to resolve the matter. The Chief shall respond to the grievant and the IAFF within ten (10) calendar days after such meeting. If the grievance is not resolved and the employee wishes to carry the grievance further, the grievance may be appealed to Step 2.

A copy of which shall be forwarded to the Union Vice-President. If the Commission is unable to hear the grievance within 15 calendar days from receipt of the request for mediation for any reason, either party may demand to proceed to the next step of the grievance procedure. Such demand by either of the parties shall not prohibit the parties from holding a mediation hearing with MERC prior to arbitration if mutually agreed.

(b) The mediation hearing shall be governed by the following rule:

1. The grievant shall have a right to be present at the Mediation Hearing as well as a IAFF representative;
2. Each party shall have one principal spokesperson;
3. Any documents presented to the mediator shall be returned to the respective parties at the conclusion of the hearing;

7. The mediator shall state the grounds for his/her advisory;
8. The mediator shall have no power to alter or amend the terms of the Collective Bargaining Agreement;

If the parties fail to select an arbitrator, the Michigan Employment Relations Commission (MERC) shall be requested by either party or both parties to provide a panel of arbitrators pursuant to its rules then in effect. Parties shall attempt to select an arbitrator from this panel within ten (10) calendar days. The Union and the Employer shall make alternate strikes from the panel list. If there is no selection from the list, MERC shall appoint the arbitrator.

The rules of MERC apply to all arbitration hearings. The arbitrator shall be requested to issue his/her decision within thirty (30) days after the conclusion of testimony argument, and submission of briefs. The decision of the arbitrator shall be final and binding on all parties.

Fees and authorized expenses for the arbitrator shall be shared equally by the Employer and the Union.

The arbitrator shall have no authority to add to or subtract from, alter, change or modify any of the provisions of this Agreement.

The arbitrator may make no award which provides the Employee compensation greater than would have resulted if there had been no violation.

(b) Failure of the grievant or Union to appeal any decision within the specified time limits, or any extension thereof as may be mutually agreed to in writing, shall be deemed a withdrawal of the grievance and shall bar further action or appeal. Any grievance upon which a disposition is not made by the Employer within the time limits prescribed, except as otherwise provided, or except within any extension of time which may be mutually agreed to in writing, may be referred to the next step in the Grievance Procedure. The time limit will run from date when time for disposition expired.

Steps of the Grievance Procedure may be waived upon written consent of the parties. The grievant may withdraw a grievance at any step of the procedure. The grievance(s) so withdrawn shall not be reinstated. Time limits herein provided for may be extended upon written consent of the parties.

A request for a leave of absence without pay must be submitted in writing as far in advance as possible and will be reviewed on a case-by-case basis by the Director of Public Safety and the Director of Human Resources. The decision to approve or disapprove is based on the circumstances; the length of time requested; the employee's job performance, attendance and punctuality record; the reasons for the leave; the effect the employee's absence will have on the work in the Fire department and the expectation that the employee will return to work when the leave expires.

Leaves of absence will be considered only after all vacation time (and in some instances sick time) has been exhausted. While on a leave of absence without pay, time for pension purposes will not accrue. The duration of a leave of absence, if granted, is according to the following schedule:

Unemployment Insurance benefits cannot be collected while on a leave of absence without pay.

Any scheduled salary increase for an employee returning from an approved unpaid leave of absence will be deferred by the length of the leave.

Due to the nature of our business, the City cannot guarantee either that an employee's job will remain available or that a comparable position will exist when return from an unpaid leave is sought. When an employee is ready to return from a leave of absence without pay, the City will attempt to reinstate the employee to the employee's former position or to one with similar responsibilities. If the position or a similar position is not available, the employee will be terminated.

An employee who returns to work following an unpaid leave will be considered as having continuous service. If an employee does not return from an unpaid leave of absence, the termination date is the last day of the authorized leave period or the date the employee notifies the supervisor/manager the employee is not returning, whichever is sooner. Such employees may be considered for reemployment.

An employee who secures employment from another employer or who becomes self-employed without the prior approval of the City of Owosso while on an approved leave of absence shall be deemed to have voluntarily terminated employment with the City. Said indemnification shall include destruction of property of another, negligence or any other cause of action which is a result of action required to be taken by a member of the Owosso Fire Department during the course of and arising out of the performance of his/her duties as a member of the Department. The indemnification shall take the form of insurance coverage, including defense and payment of judgments or settlements, or by provision of legal counsel, costs, and payment of judgments or settlement. The decision to insure or self-insure shall be within the sole discretion of the City. This provision shall not apply to any claims or suits resulting from intentional wrong doing or gross negligence on the part of a member of the City of Owosso Fire Department.

ARTICLE #36. PERSONNEL ASSIGNMENTS

The Employer shall continue to have the right to assign Fire Department personnel new and/or additional fire-related duties in addition to those currently assigned.

ARTICLE #37. AMERICANS WITH DISABILITIES

The parties recognize their responsibilities under the Americans with Disabilities Act and Family Medical Leave Act. All provisions shall be subject to accommodation requirements of the Americans with Disabilities Act and Family Medical Leave Act.

ARTICLE #38. COLLEGE INCENTIVE

The Employer will reimburse out of pocket tuition cost only for college accredited courses to a maximum of \$1,000.00 per Employee per fiscal year, capped at a total of \$2,000.00 for the Bargaining Unit per fiscal year. This college reimbursement shall be paid for a grade C or above only. Requests for college reimbursement shall be made within twenty-one (21) calendar days after completion of the course. The date of submission for the reimbursement shall be used in determining eligibility for payment. Request for college reimbursement shall be for Fire Science courses or related fields only.

ARTICLE #39. SECTION 125 FLEXIBLE SPENDING ACCOUNT PLAN

Employees may elect to have a certain dollar amount transferred from his/her paycheck into a special account to pay for expenses as they occur. This money is taken from the employee's gross pay prior to taxes. The employee saves by not having to pay federal and most state and local taxes on the amount he/she set aside. Employees can pay for eligible out-of-pocket health care and dependent care expenses with pre-tax dollars. A flex plan is a Section 125 Plan, which provides tax savings by reducing employee medical premiums and employee elected dollars for out-of-pocket health care expenses and dependent care expenses from the employee's gross salary prior to calculation of federal income and FICA taxes, as allowed under Internal Revenue Code (IRC) Section 125. Each employee's participation is purely voluntary. To enroll an employee must:

1. Complete an Agreement to Participate, this agreement helps the employee determine the contribution to be placed into the flex account during the plan year.
2. Each pay period this amount is deducted from the employee's pay prior to deducting federal income tax and social security tax.
3. As applicable expenses occur, the employee is reimbursed with the monies in his/her account.

To get reimbursed for eligible expenses, the employee submits a simple reimbursement form and attaches the appropriate receipt. If the charges are applicable according to IRS code, the employee is reimbursed with the funds in his/her account. All applicable charges are defined by

the IRS. Any funds left in the account at year end are lost. There are two types of reimbursement accounts:

1. Medical Reimbursement: This can be used to pay for qualified medical costs and health care expenses that insurance does not pay. Examples include: podiatrist, chiropractor, deductibles, co-pays, office visits, prescriptions, hearing aids, glasses, contact lenses, orthodontic, diabetic supplies, birth control devices, therapy, physical impairment needs, smoking cessation programs, etc. An employee may elect to contribute up to the maximum amount allowed by IRC Code Section 125 in the account. Any leftover money will be forfeited.

2. Dependent Care Reimbursement: This can be used to pay for eligible dependent care expenses such as child care for children under age 13 or children who are physically or mentally incapable of self-care and, in some cases, elder care, so that the employee (and his/her spouse, if he/she is married) can work, look for work, or attend school full-time. A single parent or a married couple filing jointly can elect up to \$5,000 per family, while a married person filing separately can elect up to \$2,500. This is a pay as you go account. Reimbursements are not made until funds are available. The child care provider must claim payments as income. Any leftover money will be forfeited.

An employee may change his/her annual election if he/she has a qualified change in status (marriage, birth, adoption, death or divorce). The change in status must correlate with the event and be made within 30 days of the event.

ARTICLE #40. MANAGEMENT RIGHTS

(a) Except as in this Agreement otherwise specifically and expressly provided, the employer retains the sole and exclusive right to manage and operate the city in all of its operations and activities. Among the rights of management, included only by way of illustration and not by way of limitation, is the right to determine all matters pertaining to the services to be furnished and the methods, procedures, means, equipment, and machines required to provide such services; to establish classifications of work and the number of personnel required; to determine the nature and number of facilities and departments to be operated and their location; to direct and control operations as in the past, to study and use improved methods and equipment,

and in all respect to carry out the ordinary and customary functions of management, provided, however, that these rights shall not violate any specific provision of this Agreement.

(b) Except as in this Agreement otherwise specifically and expressly provided, the employer shall also have the right to hire, promote, assign, transfer, suspend, discipline, discharge, for just cause, layoff and recall personnel; to establish reasonable work rules and determine reasonable penalties for violations of such rules; to make judgments as to ability and skill; to determine work loads, to establish and change work schedules, to provide and assign relief personnel, provided, however, that these rights shall not violate any specific provision of this Agreement.

(c) The Union agrees that the employer retains the sole and exclusive right to establish and administer without limitation, implied or otherwise, all matters not specifically and expressly limited by this Agreement.

ARTICLE #41. DRUG AND ALCOHOL ABUSE POLICY

(a) During the life of this agreement, it is understood and agreed b the Union and the City that Bargaining Unit Employees shall abide by the terms of the City of Owosso's Anti Drug and Alcohol Policy and Procedures not to exceed that which State and Federal statutes require.

(b) The City reserves the right, based upon a reasonable suspicion, to have appropriate quality assured control test administered to Employees to determine usage or being under the influence of controlled substances or alcohol violating the Anti-Drug and Alcohol Policy and Procedures.

The City strictly prohibits the manufacture, unauthorized use or possession, sale or distribution of drugs by its employees on City premises (including parking lots and in City vehicles) or during work time. Compliance with this policy is a condition of employment. Violation of this policy will result in discipline up to and including discharge.

The Union acknowledges that its members are employed in a safety sensitive position and that its members or citizens could be placed in jeopardy by an employee's use of drugs/alcohol. Therefore, it is agreed that an employee will be required to submit to a blood and/or urinalysis examination for the purpose of detection of the employee's use of unauthorized prescription drugs, illegal drugs, controlled substances, and/or alcohol in the following circumstances:

1. If the City has a reasonable suspicion that the employee in question is:
 - a. Under the influence, impaired or otherwise affected by the use of drugs/alcohol, while on duty, or
 - b. Is currently possessing on City premises unauthorized drugs/unlawful alcohol, or
 - c. Has sold or distributed drugs on or off City premises or attempted the same;
2. When an employee is involved in a vehicular accident which results in death, serious injury or serious damage to property.
3. As a part of a routine schedule physical examination;
4. Upon return from a leave of absence of thirty (30) days or more;
5. During random periods

The City agrees to treat all information received relating to an alleged employee's involvement with drugs/alcohol as confidential and will only transmit such information to those individuals who need to know.

SUPPLEMENT B – FAMILY AND MEDICAL LEAVE ACT (FMLA)

In accordance with the Family and Medical Leave Act (FMLA), an employee who has been employed by the City of Owosso for twelve (12) consecutive months (and has worked 1250 hours during those months) may take a leave of absence for up to a total of twelve (12) weeks during any 12-month period for the following reasons:

- His/her own health condition;
- To care for a child, spouse or parent who has a serious health condition;
- Birth of a child;
- The placement of a foster or adoptive child with the employee; or
- A qualifying exigency.

The City utilizes a "rolling" 12-month period for purposes of computing the amount of remaining leave an employee has available to use at any given time. Thus, an employee's current entitlement to leave is based on how much FMLA leave the employee has taken in the preceding 12 months, as measured backwards from the date the currently requested leave would commence. For example, if an employee has taken eight weeks of leave during the past 12 months, an additional four weeks of leave could be taken.

1. Employees anticipating the need for a leave pursuant to the FMLA are requested to provide at least thirty (30) days advance written notice of a need for the leave. If it is not possible for the employee to provide thirty (30) days advance notice for a foreseeable leave, based upon the circumstances, the employee should provide advanced notice as soon as practicable, on the same day or the next business day. An employee's notice of FMLA leave should include:

- The employee's statement asserting the need for leave
- The reason for the need for leave
- The anticipated duration of the leave
- The anticipated start of the leave

2. When the need for FMLA leave is foreseeable at least thirty (30) days in advance, and the employee fails to provide notice, without a reasonable excuse, the City reserves the right to delay FMLA coverage for thirty (30) days after the employee actually provided notice.

3. Employees needing to initiate FMLA leave where the approximate timing of the leave is not foreseeable, the employee must provide notice to the employer as soon as practicable. It is expected that the employee will provide the notice for an unforeseeable leave, however, in emergency situations notice may be given by a spokesperson for the employee.

4. When the necessity for the leave is foreseeable based upon planned medical treatment, employees are required to make a reasonable effort to schedule the treatment so as to not unduly disrupt the operations of the City of Owosso.

5. The family or medical leave can be taken intermittently or on a reduced work schedule when there is a medical necessity.

6. Employees requesting a medical leave for a serious health condition, including intermittent or reduced schedule leaves, must provide certification of the serious health condition of the employee or eligible family member which includes the following:

- A. The date on which the serious health condition began;
- B. The probable duration of the condition;

- C. Appropriate medical facts regarding the condition; and
- D. The name, address, and telephone number of the health care provider.

Such certification shall be on a form approved by the U.S. Department of Labor. An employee requesting leave should return his or her medical certification for FMLA leave within fifteen (15) calendar days.

If the Employer questions the need for the leave or the adequacy of the medical certification, it shall have the right to obtain a second opinion, at the employer's expense. If the two health care providers' opinions differ, a third opinion from a health care provider may be requested by the employee mutually agreed upon by the employer and the employee, which opinion shall be paid for by the employer and will be final and binding on the parties.

7. The employer may require periodic re-certification from the employee during the leave period. Furthermore, if the leave is necessitated by the employee's own serious health condition, the employee will be required, before his or her return to work, to provide medical certification that he/she is able to resume work.

8. There shall be no loss of seniority or accrued benefits during the period of FMLA leave. Health insurance benefits shall be maintained during the FMLA leave at the same level and conditions as if the employee had continued to work. Employees will be asked to utilize any accrued paid time-off as part of the twelve (12) week period granted for any of the reasons set forth above.

9. The employee shall accrue seniority while on an FMLA leave.

10. An employee on FMLA leave who desires to return to work must notify the Human Resources Director, in writing, at least seven (7) calendar days prior to the return date.

11. An employee who has been absent for medical reasons must obtain a return to work release from his/her physician which must certify the employee is fit for duty without restriction or specify the type, nature and duration of any work restriction, if applicable.

12. An employee on FMLA leave for twelve (12) weeks or less shall be returned to work either to the position he/she held prior to taking the leave, or to an equivalent position. An employee is returned to his/her position with the same rights the employee would have had if he/she had been continuously employed during the FMLA leave. An employee is not entitled to any greater rights or benefits than he/she would have been entitled had he/she not taken the leave.

13. An employee seeking to return to work with medical restrictions shall be returned to work in line with his/her seniority to an available position, if any, which the restricted employee is capable and qualified to perform. If an employee cannot be placed in a suitable position, the employee will be placed on continued leave status until an appropriate accommodation can be made, up to a maximum of twelve (12) months. Nothing in this provision is intended to preclude the rights and obligations of either the employee or the City of Owosso under the American with Disabilities Act (ADA) and related state law.

14. Once an employee has expended his/her full 12-week allotment of leave time, he/she is no longer entitled to the benefits and protections of this Section, which include, but are not limited to, the right to continued health insurance benefits and the right to be returned to his/her prior position or an equivalent position. An employee's failure to return to work at the expiration of FMLA leave may result in termination of employment.

15. If an employee on FMLA leave fails to return to work, and the reason for the failure to return to work is due to circumstances within the employee's control, such employee shall reimburse the City of Owosso for the health insurance premiums paid on behalf of the employer during his or her leave.

If an employee is the spouse, son, daughter, parent, or next of kin of a "covered service member" in the military, who is suffering from a "serious injury or illness," he/she is entitled to take up to twenty-six (26) weeks of leave during a single twelve (12) month period to care for the "covered service member." This twelve (12) month period begins on the first day the eligible employee takes this military caregiver leave to care for a covered service member, and not on the "rolling" basis described in the first portion of this exhibit. Any other leaves taken under FMLA during the twelve (12) month period, other than military caregiver leave, are considered in

calculating how much leave the employee has available, up to twenty-six (26) weeks. The employee will be required to provide certification that the “covered service member’s” serious injury or illness was incurred in the line of duty on active duty.

An employee may take up to twelve (12) weeks of FMLA leave for a “qualifying exigency” that arises when a spouse, parent or child is on or has been called to active duty. The availability of this twelve (12) weeks of qualifying exigency leave will be based upon the “rolling” twelve (12) month period described above. A qualified exigency leave can be taken for: (1) Short-Notice Deployment, (2) Military Events, (3) Childcare and School Activities, (4) Financial and Legal Arrangements, (5) Counseling, (6) Rest and Recuperation, (7) Post-Deployment Activities, and (8) Other events that arise out of the active duty or military call-up, where the employer and employee agree that such leave shall qualify as an exigency, and agree to the timing and duration of the leave. The employee will be required to provide certification of a qualifying exigency leave, on the first occasion that an employee requests such leave.

The above FMLA benefits are in coordination with other leave of absence benefits provided by the City of Owosso. To the extent that any provision of this Section conflicts with the FMLA, the language of the Act will prevail.

SUPPLEMENT C - HEALTHCARE TASKFORCE

The parties agree that the City of Owosso’s Healthcare Taskforce is the preferred method for resolving healthcare benefit issues between the City and its employees. As such we remain committed to the collaborative process of controlling healthcare costs and managing benefit levels. The Taskforce, which is comprised of members of both labor and management, operates through group consensus on all decisions. It is understood that an individual Union group’s decision to opt-out of the Taskforce, or the Taskforces’ decisions, does not limit the ability of the remaining groups to continue with the collaborative process.

SUPPLEMENT D – APPOINTMENT OF FINANCIAL MANAGER

This collective bargaining agreement contains language that is required under section 15(7) of the Public Employment Relations Act. Inclusion of the language does not constitute a waiver of the union's right to raise Constitutional and/or other legal challenges to the validity of: (1) appointment of an Emergency Financial Manager; (2) PA 4 of the 2011 (Local Government and School District Fiscal Accountability Act); or (3) any action of an Emergency Financial Manager which acts to reject, modify, or terminate the collective bargaining agreement.

SUPPLEMENT E – DIRECT DEPOSIT

All employees shall utilize direct deposit for payroll purposes. The Employer reserves the right to distribute Notices of Deposit electronically.

In witness whereof, the parties hereto have caused this instrument to be executed upon ratification and signing by both parties.
