

Engineering Aide (Part-time)

The City of Owosso is hiring a part-time Engineering Aide. The position averages 25-30 hours per week, Monday through Friday with a flexible schedule. A sub-professional, technical position involving moderately complex office and field activities related to civil engineering. Work involves data gathering, report writing, estimating construction costs and inspecting construction projects. Requires high school graduate or GED, two years of college (civil engineering) preferred. Hourly rate of pay \$16-21/hour DOQ. Job description available here: <https://www.ci.owosso.mi.us/Departments-Services/Human-Resources>. Send cover letter and resume to: City of Owosso, Human Resources, 301 W. Main St., Owosso, MI 48867; or email to hr@ci.owosso.mi.us. Position open until filled.

The City is an Equal Opportunity Employer – M/F/D/V.
